For Kindergarten, 4th Grade & New Students this year. North Park keeps a large bulk supply of food, water and emergency supplies for each and every student. We ask that families with Kindergarten, Fourth Grade and New students contribute \$10 per student to help prepare for any possible emergency.

Where is the one-time fundraising opt-out option? North Park PTA has greatly appreciated the support that many families have given in the past through the one-time \$200 donation to opt-out of school year fundraising. Since our focus this year is to reduce the number of fundraisers and raise funds with our APEX FunRun on 9/1, we have decided to discontinue the opt-out program. Our hope is that families will show the same generous financial support through the APEX FunRun, where their students' pledges can qualify to earn exciting prizes. Thank you!

The following items are direct donations: These donations may be tax deductible with the PTA tax ID.
